# Banksman Essentials Training In Partnership with iHasco BLENDED LEARNING!

We are offering a **half day training** course through blended learning. It is tutor lead and will provide you with a certificate **accredited through iHasco**.

This online **Banksman Essentials Training** course has been designed to help remove the risk of accidents occurring whilst carrying out large vehicle manoeuvres. This course helps organisations and employees work towards compliance with current legislation.

In the course, the user will learn the common banksman hand signals, gain a better understanding of their duties, and be able to list what's included in the 'Safe Site, Safe Vehicle, Safe Driver' model.
